Box MISSING PARTS

Commissioner for Patents and Trademarks
Washington, D.C. 20231

Sir:

STATEMENT OF FACTS IN SUPPORT OF FILING
ON BEHALF OF NONSIGNING INVENTORS (37 C.F.R. §1.47)

Sir:

This statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the nonsigning inventors for the above-identified patent application.

This statement is being made by the undersigned, an attorney for DreamReacher, Inc., a company that is to be the assignee of the above-identified application. The undersigned has first-hand knowledge of the facts recited herein.

This statement is being submitted in response to a final due date for a Response to a Notice To File Missing Parts Of Application - Filing Date Granted, which was mailed July 26, 2001 in the above-identified application. The above-identified application was filed on May 25, 2001 and is to be assigned to the DreamReacher, Inc., of Rocky Hill, Connecticut. The application names nine (9) inventors: Raymond P. Welnicki, Hugh Martin, Michael Boyle, James Scanlon, Melissa Baribault, Jeff Reiser, Nell Gharibian, Romney Resney, and Sean Hogan.

Upon receipt of the Notice To File Missing Parts Of the Application in July 2001, a Declaration was provided to Ray Welnicki, the Chief Executive Officer of DreamReacher, Inc., and an inventor of the present application, to obtain the signatures of all the inventors for submission as part of a Response to the Notice To File Missing Parts.

Upon Receipt of the Declaration for signing, Mr. Welnicki, Mr. Martin, and Mr. Boyle signed the Declaration and returned it to me. Copies of the Declaration were forwarded to all of the remaining inventors and, by December 26, 2001, inventors Romney Resney, Nell Gharibian, and Jeff Reiser had returned signed Declarations to me.

From July 2001 through mid-December 2001, both Mr. Welnicki and I have attempted to contact inventors James Scanlon, Melissa Baribault, and Sean Hogan by telephone, electronic mail, and/or certified U.S. mail to request that they sign the Declaration and return it to either Mr. Welnicki or me. Copies of the certified mail letters sent to these inventors, together with the accompanying information, are enclosed as Exhibit A. As of the date of the signing of this Statement, inventors James Scanlon, Melissa Baribault, and Sean Hogan have not responded to any of my phone calls or letters and have not returned the signed Declaration to me or to Mr. Welnicki. I was unable to get a telephone number for James Scanlon and was only able to send a certified mail letter to him, which he received but did not respond to. Accordingly, a diligent effort to reach inventors James Scanlon, Melissa Baribault, and Sean Hogan has been made in accordance with 37 C.F.R. §1.47(a).

The last known addresses of non-signing joint inventors James Scanlon, Melissa Baribault, and Sean Hogan are as follows:

James Scanlon
7 Fairchild Road
Simsbury, CT 06081

Melissa Baribault
33 High Point Road,
Middle Haddam, CT 06456

Sean Hogan
64 Chestnut Street
Charlestown, MA 02129

Since James Scanlon, Melissa Baribault, and Sean Hogan have not responded and have not returned the signed Declaration, the undersigned respectfully requests that James Scanlon, Melissa Baribault, and Sean Hogan be designated as unavailable inventors, and the undersigned further respectfully requests permission to submit the Declaration with the signatures of Raymond P. Welnicki, Hugh Martin, Michael Boyle, Jeff, Reiser, Nell Gharibian, and Romney Resney on behalf of the non-signing inventors.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "M. M. Downing", is written over a horizontal line.

Re: United States Patent Application Serial No. 09/865,279
Entitled: Computerized Lifestyle Planning System and Method
Our File No.: 21924-005

Dear Mr. Scanlon:

I am a patent attorney representing DreamReacher and its founder and CEO, Ray Welnicki. In May of 2001, DreamReacher filed the above-identified patent application in the United States Patent and Trademark Office ("USPTO"). A copy of the patent application is enclosed. This letter is being sent to you because DreamReacher has indicated that you are one of the joint inventors on the patent application identified above.

I was unable to locate a telephone number to contact you, so I am sending you this letter. The United States patent laws require that a patent application list all inventors and that each inventor listed on a patent application make an oath that he or she is an original and first inventor of the invention.

Accordingly, DreamReacher would appreciate it if you would sign the enclosed oath and power of attorney document in connection with the above-identified patent application and return it to me, for filing with the USPTO. Inventors Ray Welnicki, Hugh Martin, and Michael Boyle have already signed and returned their copies of the enclosed oath to me. Please note that, if an inventor is unable or unwilling to sign the oath, after diligent efforts to locate him or her, the inventor is still listed as an inventor on the application, but the remaining inventors must petition the USPTO to accept the application with signatures of fewer than all the inventors. This petition can delay processing and issue of the patent application.

To make this process as easy as possible for you, I have enclosed an inventor declaration and power of attorney for your signature for the enclosed above-identified patent application. Please review the information I have listed about you (e.g., name, citizenship, and contact information) and indicate any changes, if necessary. Because the oath states that you have reviewed the patent application and agree that you are an inventor on it, you also should take a

moment to review the application and the claims of the application. If, after reviewing the claims, you do not believe that you have contributed to the claims in any way, please contact me as soon as possible, so that we can delete you as an inventor. If, however, after reviewing the application, you agree that you are an inventor, please sign your name where indicated, and return the oath to me in the enclosed envelope.

Please return at least the Declaration to me for filing with the U.S. Patent Office on or before the **December 26, 2001 due date**. If you have any questions, please do not hesitate to contact me directly at 617-348-3053. Your anticipated cooperation is appreciated.

Sincerely,

Re: United States Patent Application Serial No. 09/865,279
Entitled: Computerized Lifestyle Planning System and Method
Our File No.: 21924-005

Dear Ms. Baribault:

I am a patent attorney representing DreamReacher and its founder and CEO, Ray Welnicki. In May of 2001, DreamReacher filed the above-identified patent application in the United States Patent and Trademark Office ("USPTO"). A copy of the patent application is enclosed. This letter is being sent to you because DreamReacher has indicated that you are one of the joint inventors on the patent application identified above.

As I indicated in my recent telephone message to you, the United States patent laws require that a patent application list all inventors and that each inventor listed on a patent application make an oath that he or she is an original and first inventor of the invention.

Accordingly, DreamReacher would appreciate it if you would sign the enclosed oath and power of attorney document in connection with the above-identified patent application and return it to me, for filing with the USPTO. Inventors Ray Welnicki, Hugh Martin, and Michael Boyle have already signed and returned their copies of the enclosed oath to me. Please note that, if an inventor is unable or unwilling to sign the oath, after diligent efforts to locate him or her, the inventor is still listed as an inventor on the application, but the remaining inventors must petition the USPTO to accept the application with signatures of fewer than all the inventors. This petition can delay processing and issue of the patent application.

To make this process as easy as possible for you, I have enclosed an inventor declaration and power of attorney for your signature for the enclosed above-identified patent application. Please review the information I have listed about you (e.g., name, citizenship, and contact information) and indicate any changes, if necessary. Because the oath states that you have reviewed the patent application and agree that you are an inventor on it, you also should take a moment to review the application and the claims of the application. If, after reviewing the

claims, you do not believe that you have contributed to the claims in any way, please contact me as soon as possible, so that we can delete you as an inventor. If, however, after reviewing the application, you agree that you are an inventor, please sign your name where indicated, and return the oath to me in the enclosed envelope.

Please return at least the Declaration to me for filing with the U.S. Patent Office on or before the **December 26, 2001 due date**. If you have any questions, please do not hesitate to contact me directly at 617-348-3053. Your anticipated cooperation is appreciated.

Re: United States Patent Application Serial No. 09/865,279
Entitled: Computerized Lifestyle Planning System and Method
Our File No.: 21924-005

Dear Mr. Hogan:

I am a patent attorney representing DreamReacher and its founder and CEO, Ray Welnicki. In May of 2001, DreamReacher filed the above-identified patent application in the United States Patent and Trademark Office ("USPTO"). A copy of the patent application is enclosed. This letter is being sent to you because DreamReacher has indicated that you are one of the joint inventors on the patent application identified above.

As I indicated in my recent telephone message to you, the United States patent laws require that a patent application list all inventors and that each inventor listed on a patent application make an oath that he or she is an original and first inventor of the invention.

Accordingly, DreamReacher would appreciate it if you would sign the enclosed oath and power of attorney document in connection with the above-identified patent application and return it to me, for filing with the USPTO. Inventors Ray Welnicki, Hugh Martin, and Michael Boyle have already signed and returned their copies of the enclosed oath to me. Please note that, if an inventor is unable or unwilling to sign the oath, after diligent efforts to locate him or her, the inventor is still listed as an inventor on the application, but the remaining inventors must petition the USPTO to accept the application with signatures of fewer than all the inventors. This petition can delay processing and issue of the patent application.

To make this process as easy as possible for you, I have enclosed an inventor declaration and power of attorney for your signature for the enclosed above-identified patent application. Please review the information I have listed about you (e.g., name, citizenship, and contact information) and indicate any changes, if necessary. Because the oath states that you have reviewed the patent application and agree that you are an inventor on it, you also should take a

moment to review the application and the claims of the application. If, after reviewing the claims, you do not believe that you have contributed to the claims in any way, please contact me as soon as possible, so that we can delete you as an inventor. If, however, after reviewing the application, you agree that you are an inventor, please sign your name where indicated, and return the oath to me in the enclosed envelope.

Please return at least the Declaration to me for filing with the U.S. Patent Office on or before the **December 26, 2001 due date**. If you have any questions, please do not hesitate to contact me directly at 617-348-3053. Your anticipated cooperation is appreciated.

Sincerely,

MINTZ, LEVIN, COHN, FERRIS,
